

## NEWS 2024

Dear customers, valued partners,  
after careful analysis and extensive consideration, we have decided to adapt our product portfolio in the moulded parts area.

**Some of the changes will come into force on 01.06.2024.**

If you have any questions about our product range adjustment, please do not hesitate to contact us.

MIXA® HERITAGE H700

## NEW PRODUCTS MIXA®

We are pleased to present you an overview of the upcoming innovations.

Extended colour options for the sink bases can now be found in the Spectrum category.

### MIXA® Spectrum - Show colours

The MIXA® Spectrum range brings colour to the kitchen. The coloured enamel bases complete our base option in elegant white and black. MIXA® Spectrum stands for joy on colour & the opportunity to set personal accents. This gives our sinks a personalised touch that makes every kitchen shine. We are expanding MIXA® Spectrum with the Edition „UK“.

### MIXA® Heritage - A hint of nostalgia

With the introduction of MIXA® Heritage, we are expanding our range to include kitchen sinks in a charming country house style. This line is a tribute to the values of traditional kitchen design combined with the modern performance and quality for which MIXA® is renowned. MIXA® Heritage is more than just sink - it is a piece of living history in the kitchen.
